

In 1989, Bill Wyman opened an American cuisine restaurant also entitled "Sticky Fingers".

Here you see how the restaurant looks from the outside .

We had a little snack in the restaurant.

(I Can't Get No) Satisfaction

The Rolling Stones

I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm drivin' in my car
and that man comes on the radio
and he's tellin' me more and more
about some useless information
supposed to drive my imagination.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm watchin' my TV
and a man comes on to tell me
how white my shirts can be.
Well he can't be a man 'cause he doesn't smoke
the same cigarettes as me.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no satisfaction,
I can't get no girl reaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm ridin' round the world
and I'm doin' this and I'm signing that
and I'm tryin' to make some girl
who tells me baby better come back later next week
'cause you see I'm on losing streak.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no, I can't get no,
I can't get no satisfaction,
no satisfaction, no satisfaction, no satisfaction.

Then we drove trough the **Melbury Road**.

In this house lived the members of the band **Led Zeppelin**.

Led Zeppelin were an English rock band who formed in 1968. With their heavy, guitar-driven sound, Led Zeppelin are regarded as one of the first heavy metal bands.

Stairway to heaven

Led Zeppelin

*T*here's a lady who's sure all that glitters is gold

And she's buying a stairway to heaven

When she gets there she knows, if the stores are all closed

With a word she can get what she came for

Ooh, ooh, and she's buying a stairway to heaven

There's a sign on the wall but she wants to be sure

'Cause you know sometimes words have two meanings

In a tree by the brook, there's a songbird who sings

Sometimes all of our thoughts are misgiven

Ooh, it makes me wonder

Ooh, it makes me wonder

There's a feeling I get when I look to the west

And my spirit is crying for leaving

In my thoughts I have seen rings of smoke through the trees

And the voices of those who stand looking

Ooh, it makes me wonder

Ooh, it really makes me wonder

And it's whispered that soon if we all call the tune

Then the piper will lead us to reason

And a new day will dawn for those who stand long

And the forest will echo with laughter

If there's a bustle in your hedgerow, don't be alarmed now,

It's just a spring clean for the May Queen

Yes, there are two paths you can go by, but in the long run

There's still time to change the road you're on

And it makes me wonder

Your head is humming and it won't go, in case you don't know
The piper's calling you to join him
Dear lady, can you hear the wind blow, and did you know
Your stairway lies on the whispering wind

And as we wind on down the road
Our shadows taller than our soul
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold
And if you listen very hard
The tune will come to you at last
When all is one and one is all
To be a rock and not to roll.
And she's buying the stairway to heaven

James Patrick "Jimmy" Page, (born 9 January 1944) is an English guitarist and record producer. He began his career as a studio session guitarist in London and was subsequently a member of The Yardbirds, from late 1966 to 1968, before founding English rock band Led Zeppelin.

Page is credited as a forefather of heavy metal by not only turning up the accepted volume of the electric guitar but also with his anthemic riffs and meticulous studio production. Page is widely considered to be the first producer to truly create the "heavy" sound of rock music with the combination of new drum recording methods and revolutionary room.

Jimmy Page still lives in this little castle.

Then we drove to the **Holland Park**, here lives **Van Morrison**:

George Ivan Morrison, (born August 31, 1945) is a Grammy Award-winning Irish singer, songwriter, author, poet and multi-instrumentalist, who has been a professional musician during the last five decades. Van Morrison received his musical education by way of his father's extensive jazz and blues collection, as well as from his mother, who worked as a professional singer.

Gloria:

She come around here about midnight
She come around here about midnight
Make me feel so good
Every night about midnight
Come around
Make me feel alright
Walking down the street
She knock on my door
Walking down the street
She knock on my door
Come in my room
Make me feel so good
Like a woman do
Well why do you make me feel alright
She's a natural born woman
Natural born soul sender
Natural born woman
Natural born soul sender
Come here about midnight, yeah! yeah!

www.nndb.com

Did I tell you about my baby
Well, she comes around
Five feet four
From her head to the ground
Comes around here
Just about midnight
Makes me feel so good
Makes me feel alright
And her name is G . L . O . R . I . A
G.L.O.R.I.A, G.L.O.R.I.A
G.L.O.R.I.A, G.L.O.R.I.A
Gonna shout it every night
Gonna shout it every day

Oh, oh, oh midnight, midnight, midnight
She come around here
She makes me feel alright about midnight
Walking down on the street
Come knock on my door
Knock, knock on my door
Then come in my room
Make me feel alright
Feel, feel, feel, feel
Feel, feel, alright, alright
She's a sender, she's a lover
She's a sender, she's a killer

What's her name?
Her name is Gloria
G . L . O . R . I . A
G.L.O.R.I.A
Gonna shout it every night
Gonna shout it every day
G.L.O.R.I.A, G.L.O.R.I.A
I wanna shout it every night
I wanna shout it every day
And every day, and every day
And every day child
And every day child, every day
Makes me feel good
Feel, feel
Mamma look, feel, feel, so good.

Then we drove along this wall, where **Freddie Mercury** lived.

Freddie Mercury (born **Farrokh Bulsara**; 5 September 1946 – 24 November 1991) was a Parsi rock musician and songwriter, best known as the lead singer of the rock band **Queen**. He is remembered for his vocal abilities and charisma as a live performer. As a songwriter, he composed many international hits, including "Killer Queen", "Bohemian Rhapsody", "Somebody to Love", "We Are the Champions" and "Crazy Little Thing Called Love". In late 1991, Mercury died of complications from AIDS.

We are the champions

*I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes*

I've made a few
I've had my share of sand kicked to my face
But I've come through
And I need to go on, and on, and on, and on

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions
Of the world

I've taken my bows
And my curtain calls
You brought me fame and fortune
And everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise
I consider it a challenge before the whole human race
And I ain't gonna lose
And I need to go on, and on, and on, and on

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions
Of the world

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions

City of Westminster

Our next stop was in Westminster, where the famous Abbey Road street is located.

Abbey Road Studios.

Abbey Road Studios is most closely associated with The Beatles, who recorded almost all of their albums and singles there between 1962 and 1970. The Beatles named their final 1969 album, *Abbey Road*, after the street where the studio is located. The cover photo for that album was taken by Iain MacMillan outside Abbey Road studios, with the result that the pedestrian zebra crossing outside the studio, where the Fab Four were photographed, soon became a place of pilgrimage for Beatles fans from all over the world. Among the less desirable effects of this notoriety has been the unsightly graffiti written on the studio fence by visitors and the regular theft of road signs.

Pink Floyd recorded most of their late '60s to mid-1970s albums at the studio as well.

On the wonderful Abbey Road album there are some great songs like:

Here Comes The Sun

Here comes the sun, here comes the sun,
And I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right

Little darling, the smile's returning to the faces
Little darling, it seems like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right

Sun, sun, sun, here it comes...
(Repeat 4 more times)

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun, here comes the sun,
And I say it's all right
Here comes the sun, here comes the sun,
It's all right
It's all right
